

BASIC UNITS OF LIFE®

Vitamin D-K

5,000 IU D3 and vitamin K1, K2

Vitamin D supports cardiovascular health, optimal bone health, arterial strength and elasticity, and helps maintains healthy immune system balance, a healthy inflammatory response, and calcium absorption and utilization.*

Vitamin D Supreme is a unique formula with geranylgeraniol (GG) that promotes the conversion of vitamin K1 to K2 (as MK-4) and maximizes vitamin D synergy.*

Benefits*

- Healthy immune balance
- Optimal bone health
- Calcium absorption and deposition
- Arterial strength and elasticity
- Cardiovascular health
- Insulin function and release

Unique Formula Highlights

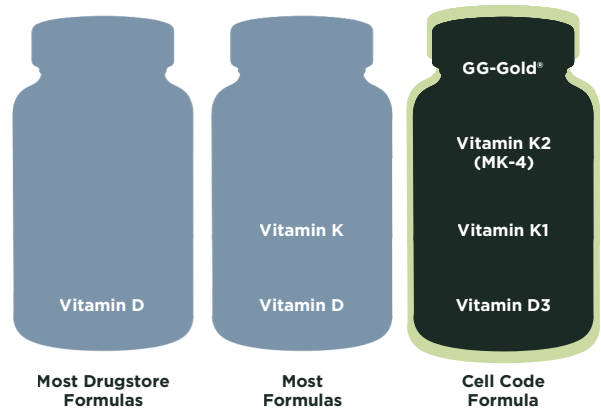

- 5,000 IU (125 mcg) of vitamin D3 (cholecalciferol)
- 1,000 mcg of vitamin K1 (as phytonadione)
- 1,000 mcg of vitamin K2 (as MK-4)
- 5 mg of trans-geranylgeraniol (GG) (as GG-Gold®)

Recommended Use

Take 1 capsule per day with meals or as directed by your health-care practitioner.

The Most Complete Vitamin D Formula

- Trusted by practitioners worldwide for more than 34 years
- Vitamin K: channels calcium to bone and keeps it out of arteries and soft tissues
- As vitamin D increases, the need for vitamin K goes up
- Your body needs both K1 and K2, and stores vitamin K2 in tissues. Vitamin K2 (as MK-4) is the most abundant form of vitamin K2 in the body
- Clinically relevant nutrient levels

Why GG-Gold*?

Assists in conversion of vitamin K1 to vitamin K2 and precursor to synthesize vitamin K2*

Declines as we age and supports hormone health, and cellular energy health*

Supports metabolic health, muscle mass, and bone health*

Consult with your health-care practitioner about your specific circumstances and any questions you may have about this product.
