

BASIC UNITS OF LIFE®

# VITARALL

*Cognitive Clarity & Focus Formula*

CELLCODE's VITARALL is a precision-formulated blend designed to sharpen focus, enhance mental clarity, and support long-term brain health.\* Combining clinically studied botanicals, amino acids, and phospholipids, this advanced nootropic formula promotes sustained cognitive performance without the crash or overstimulation associated with synthetic stimulants.\*

Each capsule delivers targeted support for neurotransmitter balance, blood flow, and neuronal protection. Ingredients such as acetyl-L-carnitine and phosphatidylserine energize brain cells, while L-theanine and natural caffeine from green tea foster calm alertness and focused attention.\* Adaptogenic herbs like Panax ginseng and Bacopa monnieri strengthen the body's resilience to mental stress and fatigue.\*

As cognitive demands rise — whether during study, high-performance work, or active aging — VITARALL helps maintain clear thinking, steady focus, and mental stamina. Its unique synergy of antioxidants and neuroprotective compounds supports healthy brain aging, optimal circulation, and neuronal communication at every stage of life.\*

With consistent use, VITARALL enhances productivity, promotes sharper recall, and sustains balanced mental energy — empowering you to stay focused, calm, and cognitively strong, day after day.\*

## Benefits\*

- **Improves Focus and Attention:** Enhances concentration and mental clarity for sustained cognitive performance.\*
- **Supports Memory and Recall:** Promotes information retention and learning capacity for students and professionals alike.\*
- **Reduces Mental Fatigue:** Combats brain fog and supports calm alertness through adaptogenic botanicals.\*
- **Protects Brain Cells:** Provides antioxidant and neuroprotective support for long-term brain health.\*
- **Enhances Natural Energy:** Delivers gentle, sustained mental and physical energy without overstimulation or crash.\*

## Highlights

- Acetyl-L-Carnitine (ALCAR) supports mitochondrial energy production and neurotransmitter function\*
- L-Theanine promotes relaxation and focus without drowsiness\*
- Phosphatidylcholine and Phosphatidylserine strengthen neuronal membranes and communication\*
- Bacopa Monnieri supports memory formation, recall, and antioxidant defense\*
- Panax Ginseng and Ginkgo Biloba enhance blood flow, alertness, and resilience to stress\*
- Natural caffeine from green tea provides balanced energy when paired with L-theanine\*
- Vinpocetine (99%) supports cerebral circulation and mental clarity\*
- Gluten-free, dairy-free, soy-free, non-GMO, and vegan

## Recommended Use

Take 2 capsules daily with a meal, or as directed by your health-care practitioner. For optimal results, take in the morning or early afternoon to support daytime focus and energy.

*Consult with your health-care practitioner about your specific circumstances and any questions you may have about this product.*
